Community Action Partnership of Cambria County's Early Childhood Programs are looking for community representatives to serve on our Head Start/Early Head Start Policy Council. Policy Council is the governing body for our Head Start and Early Head Start programs. It consists of parents of Head Start and Early Head Start enrolled children and community people. Policy Council parents decide upon meeting dates and times, but currently they are held on the third Tuesday of each month at a central location in the county.

If you are interested in helping us meet the needs of low-income children and their families, participating in program development, and bringing about a greater degree of social competence in our children, please send your name, address, phone number and a brief description about yourself including involvement with other similar organizations by Friday, September 1, 2017 to: CAPCC Early Childhood Programs, ATTENTION: Jeannette Bracken, 516 Main Street, Johnstown, PA 15901 or FAX the information to 814-539-4943.
