

If you or someone you love is struggling with drugs or alcohol, **WE CAN HELP.**

WE HELP EVERYONE, REGARDLESS OF ABILITY TO PAY

Our agency manages federal, state, and county funds to provide drug and alcohol treatment, as well as prevention services, to any county resident who needs it. We help everyone get treatment, regardless of health insurance status or ability to pay, and we will make the process as smooth as possible.

WHO WE ARE

Cambria County Drug & Alcohol Program has been designated by the Commonwealth of Pennsylvania as the administrator of drug and alcohol services at the county level – we are the **“single county authority.”**

That simply means we are your single source to help you navigate the process of finding appropriate treatment for you or your loved one in Cambria County. We have access to a vast array of resources and types of treatment, and we'll help you get what you need to recover.

HOW WE HELP

People who call us looking for help are screened and scheduled for an evaluation. You'll be assigned a case manager who will work with you to determine what kind of treatment would work best, and to get that treatment as soon as possible.

CAMBRIA COUNTY DRUG & ALCOHOL PROGRAM WILL PUT YOU ON THE PATH TO RECOVERY – REGARDLESS OF YOUR HEALTH INSURANCE STATUS OR ABILITY TO PAY.

TYPES OF AVAILABLE TREATMENTS

Cambria County Drug & Alcohol connects people to a full array of services. Depending on your individualized treatment plan, these services can include but are not limited to:

- Detoxification
- Residential rehabilitation
- Halfway houses
- Partial hospitalization
- Various levels of outpatient care
- Support groups
- Prevention/education services
